On December 15, 2020, Shelly Priebe filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that she sustained a shoulder injury related to vaccine administration (SIRVA) after receiving a Tdap vaccination on December 23, 2019. Petition at 1. Petitioner further alleges that the vaccine was administered within the United States, Petitioner’s symptoms have continued for more than six months, and that Petitioner has never received compensation in the form of an award or settlement for her vaccine-related injury. Petition at 1, 6. The case was assigned to the Special Processing Unit of the Office of Special Masters.
